### THE CORONATION OF THE SERVANT KING (52:13-53:12)

As the section of Scripture is studied it will be noticed that the Suffering Servant will be marked by five distinct points. These five points aptly summarize the Messiah's reign by discussing the historical aspect of His reign.

#### ① THE SERVANT'S \_\_\_\_\_ (52:13-15).

- *There is* \_\_\_\_\_ (52:13). The true exaltation of the Servant comes because He acts wisely.
  1. \_\_\_\_\_ than the world's wisdom (1 Cor. 1:18-31).
  2. Evidenced by the \_\_\_\_\_ (Eph. 3:10).
  3. Evident in those \_\_\_\_\_ by the Servant's sacrifice (Eph. 5:7-16).
- *There is* \_\_\_\_\_ (52:14). The degradation of the Servant is shocking. The fact that One was willing to undergo such torture and cruelties when He was innocent and those who dealt the cruelties were guilty is beyond our comprehension (Romans 5:1-11).
- *There is* \_\_\_\_\_ (52:15). The success of the Servant is stated clearly in this verse. He was willing to suffer such humiliation and degradation because He had one objective in mind - the cleansing of man's soul!
  1. The Action - " \_\_\_\_\_ " (Leviticus 14:7a; 4:6; 8:11)
  2. The Application - "many \_\_\_\_\_"
  3. The Awe - " \_\_\_\_\_ will shut their mouths"
  4. The Acceptance - " \_\_\_\_\_ " and " \_\_\_\_\_ "

#### ② THE SERVANT'S \_\_\_\_\_

53:1 -

53:3 -

53:5 -

53:9 -

53:10-11a -

53:11b-12 -

③ *The Servant's* \_\_\_\_\_ (53:4-6).

1. Christ was received with incredulous minds (Mark 6:3; Matthew 27:40-43).
2. Christ was despised (Luke 7:36-50 especially verses 39, 44, 45, 46).
3. Christ was forsaken (John 6:66; Matthew 26:56).
4. Christ was burdened with sorrow (Luke 19:41-42; 22:24, 44).
5. Christ served by accepting the penalty for sins that we chose to commit (53:5, 11b).
6. Christ served without fault – He was perfect (53:9b).

④ *THE SERVANT'S* \_\_\_\_\_ (53:10-12).

1. Christ demands that citizens of His Kingdom practice the attitude of \_\_\_\_\_ (Luke 9:23; John 13:12-16).
2. Christ's anger burns hottest against those who have cast aside the attitude of the servant's \_\_\_\_\_ (Matthew 23).
3. The emblems of Christ's Kingdom are \_\_\_\_\_ - not a crown of splendid jewels but one of painful thorns; not a scepter of tyranny but a towel of submission; not a throne of exalted status but a cross. In His Kingdom there is equality (Galatians 3:28). In His Kingdom there is acceptance and willing submission (Philippians 2:4).
4. In Christ's Kingdom those most visible are required to be the most serving!

⑤ *THE SERVANT'S* \_\_\_\_\_.

1. God will \_\_\_\_\_ Him the "seed" of His work (10).
2. God will \_\_\_\_\_ Him with long days (10).
3. God will \_\_\_\_\_ Him with the knowledge of the results of His suffering (11).
4. God will \_\_\_\_\_ with Him the victory over sin and suffering (11-12).
