PRESS RELEASE

Dalraida church of Christ sending Bags of Blessings to Ukraine.

Members from the Dalraida church of Christ are collecting personal hygiene bags to send to those fleeing Russian aggression.

Montgomery, January 29, 2024: The Dalraida church of Christ will collect 2-gallon ziplock bags filled with personal hygiene items that can be sent to those in Western Ukraine that have fled the eastern part of the country due to the violence and aggression from Russian. Two members from Dalraida will help coordinate the distribution of these bags in Ukraine.

Dalraida has been active in collecting, packing, and shipping hundreds of cargo containers into Ukraine. These shipments have made a realized impact on those in Ukraine (see photos and reports at www.dalraida.org/helpukraine). The Dalraida church of Christ has developed a secure distribution network within Ukraine where relief items go directly to citizens and are not merely warehoused. Verified reports and photos show that the people of Ukraine received items shipped.

Dalraida asks the community to join with us in these continued efforts to provide hope to those bound by hopelessness! **We would like to invite anyone to download the “Bags of Blessings” list and fill bags to be sent to Ukraine.** If you would like to donate to help with these efforts, please visit www.dalraida.org/helpukraine to download the packing list and find other information.

We are asking that all bags be dropped off at Dalraida church of Christ **by February 11** so preparations can be made to ship to Ukraine.
